RASTA NIK ASIA

Freight Forwarding Co.

one step ahead

Have you ever faced:

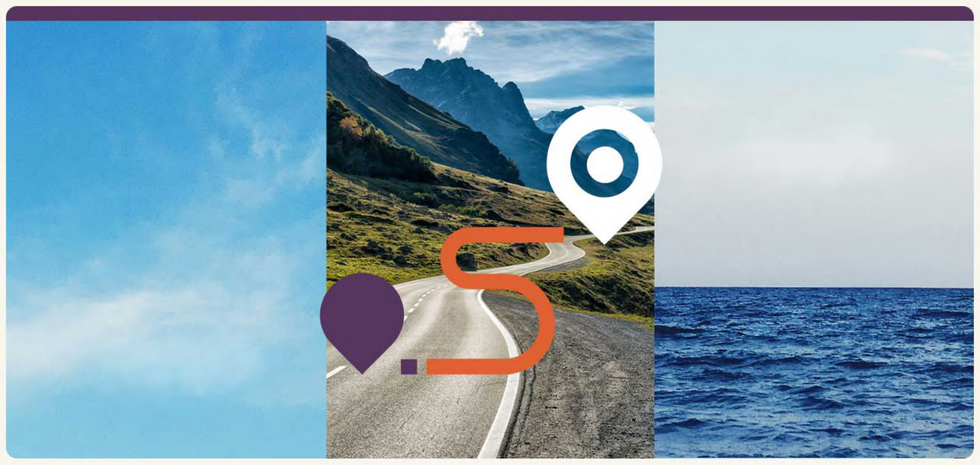
- No clear updates about your cargo?
- Unexpected rate changes after starting the contract?
- Needing to fix documents during shipment?
- Delays at borders or customs?
- No reliable timeline for delivery?

ABOUT US

We don't just move cargo, we provide predictable, well-coordinated transport solutions. Trust grows through consistent performance and honest communication at every step. With hands-on experience and real coordination across key trade routes, we turn complex logistics into dependable deliveries.

Our focus: clear communication, accurate paperwork, & reliable operation so customers can plan with confidence.

Main Services



Multimodal Transport

A combination of road, rail, and sea routes designed to balance time and cost effectively.

Ideal for shipments requiring precise control and faster delivery options.

Road & Rail Transport

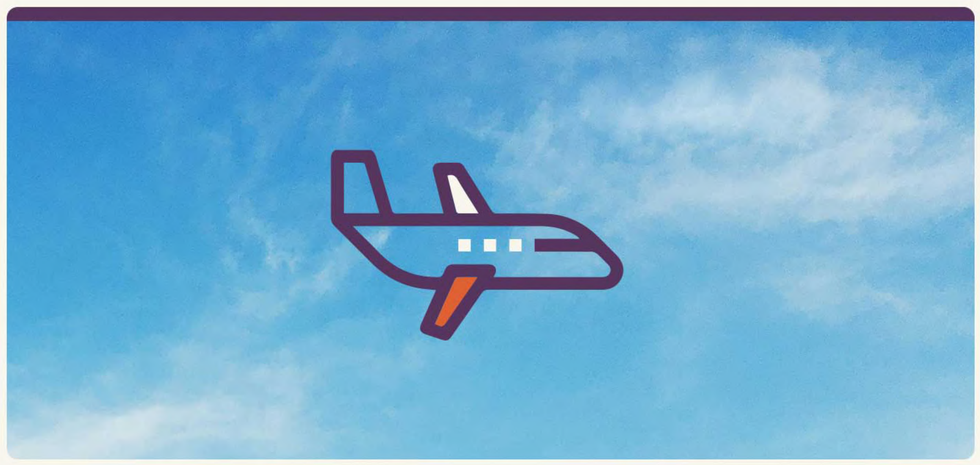
A connected network of rail wagons & trucks across Iran, Central Asia, and CIS corridors.

Efficient for industrial goods, project cargo, & regional exports.

Sea Freight

Routes from Dubai to ports in India, China, & Pakistan, working with international lines for reliable & cost-effective movement.

Suitable for large-volume or combined-route cargo.



Air Freight

When time is the priority.
fast, secure air transport with transparent reporting.

Ideal for sensitive, high-value, or lightweight cargo.

Tailored Solutions

Customized transport plans for special cargo. adapted equipment, routes, & timing designed around each client's needs.

Storage & Warehousing

Secure, monitored storage located near borders & customs areas. Options for shortterm or longterm use, with realtime reporting and easy release for next transit.

Customs Advisory

Expert guidance to avoid border delays. document checks, HS code support, & advice for faster clearance and lower costs.

Social Proof

Trust Only Matters When It's Experienced.

Trust & Security
Stable cargo control from loading to delivery

Transparent Communication
Documented, real-time reporting

Problem-Solving Spirit
Fast alternative routing through quick response

Optimization Without Compromise
Balancing efficiency with cargo integrity

Client Voices

Mr. Bijan, a businessman
from Uzbekistan

I always feel safe working with you because you're easy to reach. whether I call or send a message, you respond right away. It's why I trust you and hand over my shipments with peace of mind.

Mr. Anas, a customer
from Transport company in Pakistan

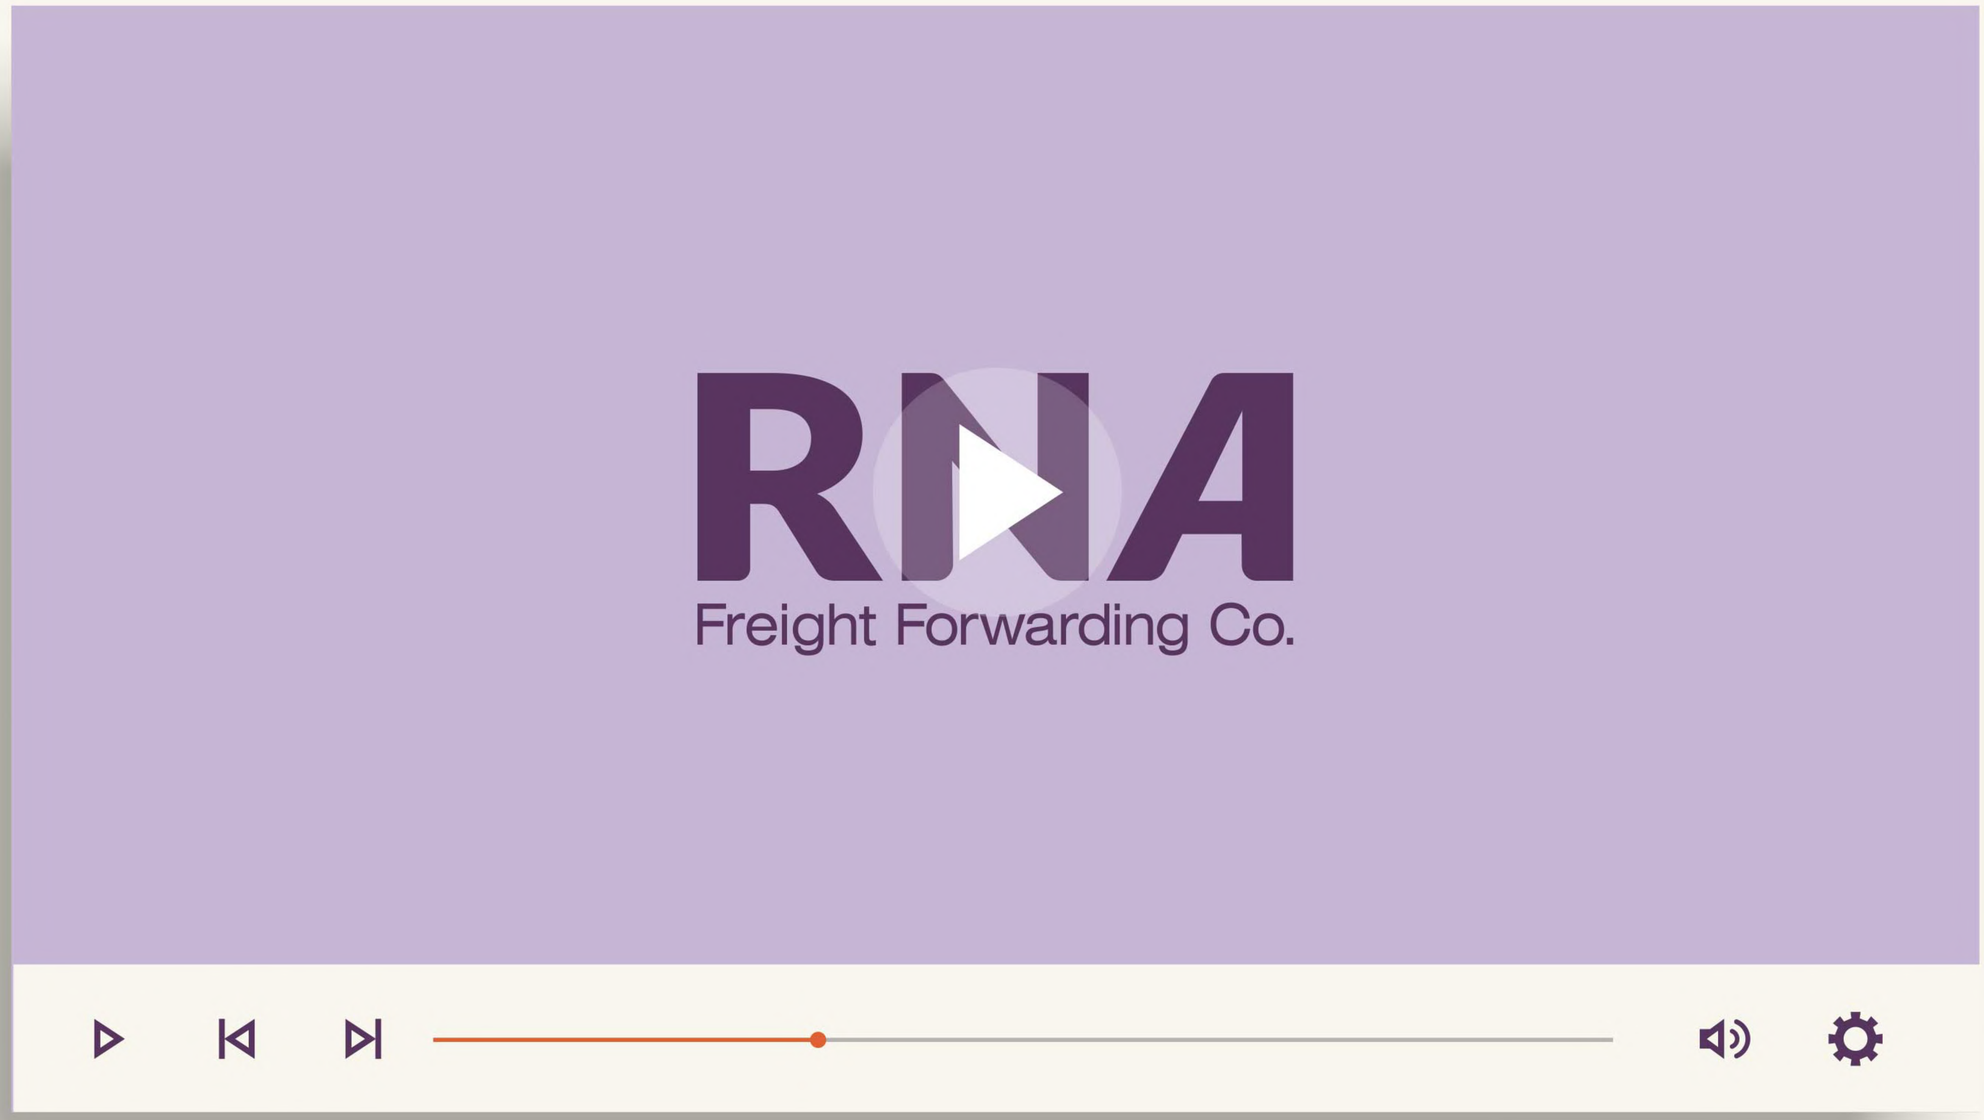
Thank you for always being clear with me. explaining every cost and detail, & taking the time to make sure I understand. That openness helps me build more trust with my own customers.

Ms. Elena, a client
from Dubai

When my shipment had document issues, & I thought it would take a long time. But you handled it quickly and kept me updated. Thanks for your help. I really appreciate it.

Report & Support

Simple Communication. Real Responsiveness.



- Support continues even after your shipment arrives.
- We provide fast, documented responses & clear reporting at every stage.
- Each shipment is an opportunity to demonstrate our coordination.
- To experience reliable support, just reach out.
